Join Us for a
Fabulous Weekend
Experience
for Singles and
Couples

Love, intimacy and sexuality are fundamental to being human. What we often don't realize is that our very notions of these may prevent us from fully expressing and receiving love. In Level 1, you are supported in discovering and shedding the fears, judgments, beliefs and behaviors that keep you separate from others. Explore new ways of relating and communicating that are deeply satisfying, safe and nourishing.

Regardless of your history, relationship status, or gender orientation, the Workshops can give you tools for long lasting happiness. You will have the opportunity to:

- ♥ Develop greater confidence, self-esteem, and inner peace
- ♥ Learn more loving, gentle, and open communication skills
- ♥ Be more comfortable and accepting of your body and your sexuality
- ♥ Learn to fall more deeply in love with yourself and others.
- ♥ Discover how to fully and authentically share who you really are with others
- ♥ Risk beyond your limitations
- ♥ Heal past hurtful relationships
- ♥ Have more fun in your life!

Since 1968, over 100,000 people have joyously enriched their lives by attending the Love, Intimacy, and Sexuality Workshops. Many people say it is the most profound experience of love they have ever had. Join us for this positive, affirming, and loving Workshop.
